Anderson Creek

Designed by world-renowned golfer and course designer Davis Love III, this course has been carefully sculpted into the naturally rolling topography, making it one of the most scenic and challenging courses in the southeast.

Named North Carolina's Best New Course in 2001, Anderson Creek Golf Club is Davis Love III's first signature course in his native North Carolina. This traditional layout reflects all that is great about golf in the Carolina Sandhills - rolling emerald fairways lined with longleaf pines, natural areas highlighted with love grass and perfectly manicured course conditions. The greens' large roll-off areas and significant undulations offer a glimpse into the classic Donald Ross architecture seen throughout the Sandhills of North Carolina.
